Organization History

The Joyce Ellen Smiley-Smith Foundation was started in 2006 to honor the woman who gave so much to so many...

Joyce Ellen Smiley Smith grew up in Winslow, Maine on her family's dairy farm. She attended Winslow schools and went to college at the University of Maine at Farmington. After college, she became a special education teacher, dedicating much of her life to providing a productive and supportive learning environment for children with special needs.

In 2001, Joyce's courageous battle against cancer ended, and in her memory, her family and friends created the JESS Foundation. The foundation's goal is to support education through providing a \$1000.00 scholarship to a graduating senior from Winslow High School who is pursuing a career as a teacher. The annual Joycie's Jaunt 5K is the primary means the foundation has for raising money for this scholarship and awareness about the foundation's goals.

In 2009 Joycie's Jaunt expanded by incorporating a Fitness Fair along with the Jaunt. The Fitness Fair included an obstacle course, a bounce house and healthy snacks. This year, in an effort to replenish the scholarship fund, we are also including more events in the Fitness Fair as well as a raffle for some great items.

The JESS Foundation provides a one time, \$1000 scholarship to a Winslow High School graduate who plans to pursue a teaching career.
